Operating comfort

Ruxton Tablet Chest Mount

Ruxton Pack is the perfect alternative to a backpack. The chest mount is designed to provide comfortable and ergonomic support for tablet use in the field.

Highlights of the Ruxton Tablet Chest Mount

- Available in 3 sizes to fit almost all tablet computers.
- Available in 2 different variants (black and orange).
- Increases safety: keep your hands free when traveling in difficult terrain
- Superior ergonomics: simply unfold, position individually to best suit the application.
- Increased Productivity: Quickly access your tablet while protecting it with the straightforward front flip open and closed design. Keep your tablet and other field equipment close at hand and both hands free for data entry.
- Super comfortable: the mesh harness is well ventilated and multi-adjustable.
- Extensive accessories available, MOLLE compatible system.
