Service & Warranty

Service & Warranty

For more details & conditions please visit <https://www.werocktools.com/de/produktgarantie/>

Standard warranty and care

Standard warranty and care Our standard warranty is anything but ordinary. All WEROCK products come with a 2-year warranty that covers your hardware and firmware - including spare parts and labor. As part of your standard protection, you have access to the WEROCK support portal which handles the entire process. We aim to respond to every incoming service ticket within 1 hour (first response). Within 30 days of purchase, you will receive free configuration support and support for self-inflicted software problems. With Care, you extend the statutory warranty to up to 5 years, depending on the model, and benefit from our fast, professional service.

SKU:
Rocktab S508 - SRV-S508-C3NX
Rocktab S510 - SRV-S510-C3NX
Rocktab S512 - SRV-S512-C3NX

Premium Care

For extended protection, PremiumCare gives you additional, extended services, such as free configuration support and support for self-inflicted software problems within 90 days. Service tickets are processed with the highest priority so that you are up and running again as quickly as possible. If a hardware repair takes longer than 7 working days, you will receive an equivalent replacement device to tide you over.

SKU:
Rocktab S508 – SRV-S508-P3NX
Rocktab S510 – SRV-S510-P3NX
Rocktab S512 – SRV-S512-P3NX

WarrantyPlus - Our fully rugged warranty includes accidental damage and covers the extended total cost of ownership.

With Warranty Plus, your product is fully protected. It is your fully comprehensive cover that also protects you against material damage caused by normal use, wear and tear and accidents. Even theft and fire damage are covered by our warranty*. In the event of loss or total loss of the device, a complete replacement is possible.

* = additional payment required
